

HP EliteDisplay S240uj USB-C Wireless Charging Monitor

Move into the workspace of the future with the HP EliteDisplay S240uj Monitor, HP's first display with fully integrated wireless charging, and HP's first with USB-C™. It has premium Audio by Bang & Olufsen and QHD and looks cool from every angle with just two cables on the desk.

Get charged up to meet the demands of your business day...and night

- Just set your phone or tablet on the base of HP's first fully integrated wireless charging display to charge on contact while you work, so at day's end, it's ready to go when you are. No cables needed!

Conquer your clutter with USB-C™

- Redefine your "clean desk policy." With just a single USB-C™ cable, connect your PC, notebook, tablet or phone to the high resolution 23.8-inch diagonal display for video, audio, USB data, and power.¹ It's really that simple.

Supersize your productivity

- See up to 77% more in extraordinary detail with Quad HD.² Expand your view, open more windows, and show content from multiple devices simultaneously with picture-in-picture and picture-by-picture.

Brace yourself for office envy

- Break the sound barrier with integrated premium Audio by Bang & Olufsen that makes your calls and videos pop, and grab attention on all sides with a beautiful micro-edge design.

Featuring

- Streamline your workspace when you pair the display with your HP Elite Slice, HP x2 1012, HP EliteBook Folio, HP Chromebook 13, or HP Elite x3 and send video to and get power from the display with just one USB-C™ connection.
- Show your old school devices some love with DisplayPort™ 1.2, HDMI/MHL, Video/Audio/HDCP, and USB 3.0 for data.
- Design the screen for how you work with HP Display Assistant software, which enables screen partitioning and helps deter theft by deactivating a monitor that's disconnected without approval.
- Rest assured that your IT investment is supported by a three-year standard limited warranty.
